2012 Human Resource Council Meeting “Dealing with Cultural Diversity Issues at the Workplace”.

**Presenter:

In today's global economy, employees come from many different cultures and backgrounds, and they come to the workplace each day with their own sets of identities, behaviors and, in some cases, languages. Don't miss this discussion highlighting the importance of creating effective employment policies, procedures and training sessions that reflect the realities – and compliance issues – of employing, managing and dealing with a diverse work force.
