Delaware Credit Union League

The Young Professionals Network (YPN) is a statewide initiative to provide networking, development and growth opportunities for Delaware's young credit union professionals. Membership is open to Delaware credit union professionals aged 40 and under. Provided as a dues-supported service to CCUA member credit unions, there is no cost to join the network!

Membership in the network will give you the opportunity to network with other young credit union professionals, as well as access to information on professional development opportunities designed specifically for young professionals. There may be nominal fees for offsite meet-ups and educational speaker presentations.
